Here is How IT Works...

1 Contact your Guidance Counselor, Teacher and/or Alana Calhoun (UC's Early IT Advisor) and set up your schedule to include Early IT classes

2 Begin taking the 9 UC Early IT classes, or your high school's equivalent, as *early as 9th grade*

3 Complete all 9 Early IT classes with a C or above *(prior to graduating high school)* and receive Automatic Admission to UC's School of Information Technology

Make Your Classes Count!

UC and your high school have worked together to create several options to complete these 9 courses.
Contact your school's IT teacher and/or Guidance Counselor for the details.
